**A RESOLUTION ACKNOWLEDGING RETURN OF REAL PROPERTY
INTEREST IN PHASES III AND IV FOR RASPBERRY HILL
SUBDIVISION BY DR HORTON, AND CANCELATION OF PARTIAL
ASSIGNMENT OF PUBLIC IMPROVEMENT OBLIGATIONS TO
SUCCESSOR-DEVELOPER.**

WHEREAS, the Board of Trustees of the Town of Frederick, Colorado, on Tuesday, August 10, 2010, reviewed the application of DR Horton, 301 Commerce St., Ste. 500, Ft. Worth, TX 76102 for return of the remaining public improvement obligations at the Raspberry Hill Subdivision (the Subdivision), pursuant to Section 14.8 of the Memorandum of Agreement for Public Improvements (MOAPI) entered into by the Town and Melody Homes, Inc.

WHEREAS, DR Horton previously sold a portion of the Subdivision to another developer and began the process under the MOAPI to transfer improvement obligations to that developer, though the process was never completed, no transfer or assignment occurred and DR Horton has repurchased the subject portion of the Subdivision.

**BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE TOWN OF
FREDERICK, COLORADO, AS FOLLOWS:**

Section 1. Findings of Fact.

a. Melody Homes, Inc. d/b/a DR Horton – Melody Series (Horton or Developer) and Town entered into an MOAPI, dated December 17, 2004, (Weld County, Rec. No. 3305758) regarding the installation and maintenance of public improvements for the Subdivision.

b. Horton commenced development of Phases I and II, pursuant to the final plat for the Subdivision, recorded April 14, 2005, and thereafter received partial acceptance and release of the respective improvement obligations and guarantees for Phases I and II, pursuant to the terms of the MOAPI.

c. Horton subsequently sold to Capital Real Estate Services (“CRES”) its interest in Phases III and IV of the Subdivision, and in 2009 Horton sought to transfer its remaining obligations under the MOAPI to CRES.

d. Pursuant to Sec. 14.8 of the MOAPI, until Town accepted transfer of the public improvements obligations set forth therein, Horton and any successor were joint and severally liable for performance of such obligations; no transfer was to be effective until CRES posted replacement improvement security, which CRES never did.

Assignment-201007197-27-10 Ras Hill 10-R- MOAPI Assignment

e. Horton has reacquired title to the property and now desires to cancel the transfer and resume responsibility for the remaining public improvement obligations for the Subdivision.

f. The Town and Horton agree that the public improvements described in the MOAPI are directly related to and generated by development intended to occur within the Subdivision and that no taking thereby will occur requiring any compensation.

Section 2. Conclusions and Order Approving Reversion of the MOAPI for the Raspberry Hill Subdivision.

a. That the estimated cost of public improvements for Phases III and IV of Raspberry Hill Subdivision shall be reviewed and adjusted if determined appropriate by the Town of Frederick, pursuant to § 1.10 of the MOAPI.

b. That the contemplated transfer of any improvement responsibility from Horton to CRES was ineffective and has been abandoned by those entities.

c. Horton shall retain 100% of all remaining improvement obligations for the Subdivision, as set forth in the MOAPI, as amended.
